

EYFS Science from Knowledge and Understanding of the World

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Aut 1			Listening walk (senses)	Seasons – Autumn (Autumn walk around school to look at changes)				
Aut 2	Fireworks	Autumn and Winter weather						
Spri 1	Changing seasons winter		Spring ice-melting and freezing. Animal habitats					
Spri 2	Spring seasonal Walk/ Life Cycles plant and animals floating and sinking							
Sum 1	Change in weather. (Climate change.) floating and sinking. Types of materials							
Sum 2	Growth and change. Continue plant growth. Materials. Space							

Year 1 Science

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Aut 1	No Science	Seasonal Change/Plants		Everyday Materials				
Aut 2	Seasonal Change/Plants		Everyday Materials					
Spri 1	Seasonal Change/Plants		Animals Including Humans					
Spri 2	Animals Including				Seasonal Change/Plants			
Sum 1	Seasonal Change/Plants		Animals Including Humans					
Sum 2	Seasonal Change/Plants		Plants					

Year 2

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Aut 1	No Science	Animals including humans						
Aut 2	Plants/Living Things and their habitat							
Spri 1	Everyday Materials				Plants			
Spri 2	Everyday Materials				Plants/Living Things and their habitat			
Sum 1	Plants/Living Things and their habitat							
Sum 2	Plants/Living Things and their habitat	Animals including Humans/ Science Week						

Year 3

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Aut 1	No Science	Light and shadows						
Aut 2	Plant (seed dispersal)	Forces and Magnets						
Spri 1	Rocks							
Spri 2	Plant (Pollination)							
Sum 1	Plant							
Sum 2	Animals Including Humans (skeletons and nutrition of animals) / Science Week							

Year 4

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Aut 1	No Science	States of Matter (Week 4 - Habitats and classification/River Walk)						
Aut 2	Electricity							
Spri 1	Digestion							
Spri 2	Teeth							
Sum 1	Food Chains		Living Things and Their habitat					
Sum 2	Classification Residential visit look at habitats	Sound						

Year 5

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Aut 1	Materials and their Properties							
Aut 2	Materials and their Properties				Forces			
Spri 1	Forces (Puberty covered RSE)			Earth and Space				
Spri 2	Earth and Space							
Sum 1	Life Cycles of animals. Egg hatching and chick diary.							
Sum 2	Life Cycles of plants		Human Lifecycle/Science Week					

Year 6

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Aut 1	No Science	Classification						
Aut 2	Light							
Spri 1	Electricity							
Spri 2	Evolution and inheritance							
Sum 1	Circulation system and heart dissection							
Sum 2	Healthy lifestyles Year 6 Science Fair and investigations
