

Year 1 Spring 2: Travel and Transport

Key Question: How has transport changed over time?

Lesson 1 Can I find out how modes of travel and transport have changed through time?	Lesson 2 Can I find out about an early form of travel: the Viking longboat?	Lesson 3 How have cars changed since they were first invented?	Lesson 4 Who was George Stephenson and how did the invention of the steam locomotive change people's lives?	Lesson 5 Can I find out about the Wright Brothers' invention and compare the Wright flyer to aeroplanes today?	Lesson 6 Can I compare travel and transport of the past, present and future?
 locomotive	The first steam trains.	 invention	Something new.	 travel	Make a journey.
 petrol engine	Burns petrol through combustion to make vehicle move.	 Vikings	A group of warriors from Scandinavia who travelled by longboat.		
 steam engine	Uses steam from boiling water to push the moving parts.	 transport	Take people or goods from one place to another.		

Stephenson's 'Rocket'
1829

Benz Motorwagon
1886

The Wright Flyer
1903

Yuri Gagarin Vostok
1961

'Tesla' electric car
2008
