Our PSHE Curriculum

## Ten Ten

### PSHE and RSE

For the majority of our PSHE and RSE curriculum we are following and using the resources and lesson plans from Ten Ten Life to the Full Plus.

A spiral curriculum means that key themes are revisited and reinforced over two year groups, but each time they're explored in a slightly deeper or more age-appropriate way.

*Key: BLACK – Ten Ten Lesson Resources*

*BLUE – New Ten Ten Life to the Full Plus*

*RED – Own resources for themed weeks or transition work*

*PURPLE – Purple Mash Computing Curriculum*

*Orange - Attendance Whole School Curriculum (cycle of three lessons per year for each phase)*

*Green – Life Style First*

### British Values

At the start of every PSHE/ RSE lesson, the British Values are explored. These are introduced and recapped weekly. This provides the opportunity for the children to learn the definition, discuss what this means, relate to our school, relate to wider life and discuss / debate these values.
