Our Mission

I have come in order that you may have life - life in all its fullness'. (John 10:10)

With Christ as our guide, we learn, we love, we achieve together.

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment

As a Catholic school, we recognise the role of parents as their child's first educators and value the important relationship between home, parish and school. At The Marist we believe that we will be successful and effective as a learning community if we work together in partnership. This agreement sets out the expectations of each partner for the others and gives each partner duties and responsibilities, in order that school and parents work together for all our children.

The school will do its best to:

Provide a safe, secure and caring learning environment which allows children to develop a relationship with God through our life and worship in school;

In line with our safeguarding policies, to protect the children from emotional or physical harm;

Encourage the community to participate in collective worship, Mass and non- Eucharistic celebrations;

Be welcoming and offer opportunities for parents/carers to become involved in the daily life of the school;

Teach and encourage the children to do their best and achieve their full potential as a valued Marist Learner;

Develop in each child positive values and a caring attitude towards the school community and the environment;

Provide a balanced curriculum of the highest quality and meet the individual needs of every child;

Set regular homework and to mark it if appropriate;

Inform children and parents/carers what the teachers teach the children each term;

Have a clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy;

Ensure that children are able to go online safely in school;

Teach children to use social media appropriately with the same care and respect as face to face interaction;

Contact parents/carers as soon as concerns are raised about a child's work, behaviour, attendance or punctuality;

Communicate between home and school using Arbor Communications through The Marist Mail, newsletters, website and general meetings
